Approved: _____
Allen Schneider, Mayor

Date: _____

RIVERSIDE CITY COUNCIL MEETING: June 19th, 2017

The Riverside City Council meeting opened at 6:31 pm in City Hall with Mayor Pro Tem Schnoebelen requesting roll call. Council members present were: Bob Schneider Jr., Jeanine Redlinger, Tom Sexton, Rob Weber, and Ralph Schnoebelen.

Motion by Schneider to approve the agenda. Second by Weber, passed 5-0.

Schneider moved to approve the minutes from June 5th, and 6-5-17 Expenditures. Second by Weber, passed 5-0.

Sexton moved to approve tobacco permits renewal for Casey's, Kun & Go, Travel Mart, and Riverside Casino. Second by Weber, Passed 4-1 Redlinger opposed.

Committee Reports: Phil Richman of Vision Committee reported on the Riverside entrance sign, and the return of the quilt to the museum. Kevin Meller, TrekFest Chairman, reported on street closings and possible parade route change. Weber moved to allow RACC to make changes to parade route, if needed, and traffic control as discussed. Second by Redlinger, passed 5-0.

Citizens Comments: Larry Simon requested that the Council put Ella Street back on the agenda. Schneider moved to put Ella Street on the agenda soon. Second by Sexton, passed 5-0. Kevin Mills thanked the council for their comments and bringing Ella Street back for discussion.

7:04 pm Schnoebelen opened Public Hearing for Selling Lot #14 on Cherry Lane. There were no written or oral comments from the public or Council. Schnoebelen closed public hearing at 7:05 pm. Sexton moved to pass Resolution #061917-01 Sale of Cherry Lane Lot #14 to TWRVR Properties, LLC in the amount of \$35,000. Second by Weber, passed 5-0.

Bill Stuke, PeopleService, Inc. presented the monthly water report. Stuke advised about future repairs needed on the Stage 2 membranes at the Water plant, and A/C repairs. Schneider moved to replace the A/C unit at the Water Plant, not to exceed \$3930. Second by Redlinger, passed 5-0.

Glen Meisner, MMS updated Council on 2nd and Washburn Street project. Meisner gave suggestions on the time line for the next phase on Pioneer Street. Casey's sewer project is complete.

Weber moved to pass Resolution #061917-02 Dave Schmitt Construction change order #6 for stamped concrete in the amount of a \$2079.50 credit. Second by Redlinger, passed 5-0.

Weber moved to pass Resolution #061917-03 Dave Schmitt Construction change order #7 for temporary retaining walls at a cost not to exceed \$2706.00. Second by Schneider, passed 5-0.

Schneider moved to pass Resolution # 061917-04 Dave Schmitt Construction change order #8 for extra rebar in sidewalk edge not to exceed \$3236.00. Second by Weber, passed 5-0.

Schneider moved to pass Resolution #061917-05 Dave Schmitt Construction Pay Request #2 in the amount of \$404,550.36. Second by Sexton, passed 5-0.

Redlinger moved to pass Resolution #061917-06 KMA Trucking & Excavating Pay Request #3 for Casey's sewer in the amount of \$1540.60. Second by Schneider, passed 5-0.

Schneider moved to pass Resolution #061917-07 Final Acceptance from KMA for Casey's sewer. Second by Redlinger, passed 5-0.

Weber moved to go into closed session pursuant to Iowa Code Section 21.5(1)(j) Real Estate at 7:50 pm. Second by Sexton, passed 5-0.

Sexton moved to return to open meeting at 8:34 pm. Second by Weber, passed 5-0. Sexton motioned to allow Glen Meisner and Rob Weber to proceed as directed by council. Second by Schneider, passed 5-0.

Kevin Mills addressed Council about water issues on his property resulting from the Ella Street project. Council set a work session for Ella Street residence to be held on Tuesday, June 27th at 7:00 pm at City Hall. Schneider moved to reimburse Mills for lawn expenses for \$66.00. Second by Weber, Passed 5-0.

Schneider requested that New Business & Construction Incentives be tabled to allow Council more time to go over the information.

Schneider moved to pass Resolution #061917-08 Transfer of Funds for FY16-17. Second by Weber, passed 5-0.

Weber moved to not hold a July 3rd Council Meeting due to the Holiday. Second by Schneider, passed 4-1 Sexton opposed.

Sexton moved to hire clean-up of property on 181 E. 4th Street. Seconds by Weber, passed 5-0.

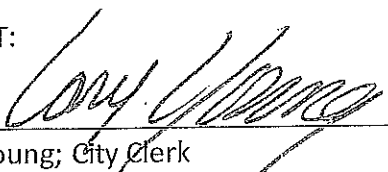

Weber requested that City ditch maintenance be on the next agenda.

Schneider moved to adjourn at 9:47 pm. Second by Sexton, passed 5-0.

Full content of Council Meetings can be viewed on the City web site;
www.cityofriversideiowa.com

Work Sessions: Tuesday, June 27th at 6:00 pm for Solar Energy, and 7:00 pm for Ella Street.
Council Meeting – Monday, July 17, 2017 at 6:30 pm

17 JUN 15 8:48 AM

ACCEPTANCE

This offer shall be open to acceptance and is irrevocable for fifteen (15) days from the bid closing date. If this bid is accepted by the Owner within the time period stated above, we will:

- Execute the Agreement within seven days of receipt of Notice of Award.
- Furnish the required bonds within the three days of execution of the contract.
- Commence work within seven days of receipt of the Owner's Notice to Proceed.

BID FORM SIGNATURES

The undersigned bidder certifies that this proposal is made in good faith, and without collusion or connection with any other person or persons bidding on the work.

The undersigned bidder states that this proposal is made in conformity with the Contract Documents and agrees that, in the event of any discrepancies or differences between any conditions of this proposal and the Contract Documents prepared by the Iowa City Community School District, the more specific shall prevail.

RESOLUTION #071717-01

RESOLUTION APPROVING CHANGE ORDER #4 FOR DAVE SCHMITT CONSTRUCTION FOR THE 2ND & WASHBURN STREETS IMPROVEMENTS PROJECT

Whereas, the City of Riverside City at the recommendation of the City Engineering Firm, MMS Consultants, Scott Pottorff and it is the opinion of the City Engineering Firm that the City Council accept this change order not to exceed the amount of \$11,595.00.

Therefore, be it resolved the City of Riverside City Council does hereby accept the Change Order #4 for sanitary sewer and services in Highway 22.

It was moved by Councilperson _____, seconded by Councilperson _____, to approve the foregoing resolution on July 17th, 2017.

Roll Call: Redlinger, Schneider, Sexton, Weber, Schnoebelen

Ayes:

Nays:

Absents:

PASSED AND APPROVED by City Council of Riverside, Iowa, on this 17th day of July, 2017.

July 12, 2017

2245-032

2nd Street and Washburn Street Storm Sewer and Paving Project
Change Order #4

The following changes to the contract are requested to install sanitary sewer and services in Highway 22 under the proposed new pavement.

This change order is in response to ITC#4, which outlined the proposed work and is attached to this change order. The proposed pricing is also attached. The changes required for this work are as follows:

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Sanitary Sewer Manhole (Material Only)	1 LS	\$1,285.00	\$1,285.00
6" Sanitary Sewer Service	3 EACH	\$2,660.00	\$7,980.00
Locate Existing Sewer Service	3 EACH	\$350.00	\$1,050.00
45 Degree Water Main Bends	2 EACH	\$640.00	\$1,280.00
	TOTAL		\$11,595.00

Change to the Contract

This change order would add the above items to the contract and increase the amount of the contract by \$11,595.00.

Reason for changes

There was some discussion about whether the project should include replacement of sewer services to buildings on the north side of Highway 22 in addition to the water services included with the project. These services extend under the highway to the main on the south side of Highway 22. Instead of replacing each service under the highway, it was decided to run a new main along the north side of the highway to serve these buildings and get new services installed under the new decorative walls and sidewalks. The new main will be installed with the next project to the east. The manhole was delivered but not installed and will be installed with the next project to the east.

Change Order #7

The following changes to the contract are requested to install temporary concrete surfacing for transitions from new to existing sidewalks along Highway 22.

Attached is the proposal submitted for the temporary concrete work. The change required for this work is as follows:

ADD

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Temporary Retaining Wall and PCC Sidewalks in Highway 22	1 LS	\$2,706.00	\$2,706.00

Change to the Contract

This change order would add the above item to the contract and increase the amount of the contract by \$2,706

Reason for changes

It was decided to install temporary sidewalk instead of the granular surfacing shown on the plans to provide a more weather proof surfacing at these locations.

July 12, 2017

2245-032

2nd Street and Washburn Street Storm Sewer and Paving Project
Change Order #9

The following changes to the contract are requested to relocate water main which as in conflict with the proposed storm sewer.

The contractor kept track of time and materials for this work. The summary of the time and materials used is attached. The change required for this work is as follows:

ADD

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Relocate Water Main South of DMH #2	1 LS	\$4,793.09	\$4,793.09

Change to the Contract

This change order would add the above item to the contract and increase the amount of the contract by \$4,793.09

Reason for changes

The existing water main south of DMH #2 was in conflict with the storm sewer. It was decided to lower the water main at this location. The relocated water main required ductile iron piping and nitrile gaskets due to proximity to an existing leaking underground storage tank (LUST). This work was done on a time and materials basis.

RESOLUTION #071717-05

RESOLUTION APPROVING CHANGE ORDER #10 FOR DAVE SCHMITT CONSTRUCTION FOR THE 2ND & WASHBURN STREETS IMPROVEMENTS PROJECT

Whereas, the City of Riverside City at the recommendation of the City Engineering Firm, MMS Consultants, Scott Pottorff and it is the opinion of the City Engineering Firm that the City Council accept this change order not to exceed the amount of \$559.35.

Therefore, be it resolved the City of Riverside City Council does hereby accept the Change Order #10 to adjust the flowlines of the storm sewer in Intakes 4 and 5.

It was moved by Councilperson _____, seconded by Councilperson _____, to approve the foregoing resolution on July 17th, 2017.

Roll Call: Redlinger, Schneider, Sexton, Weber, Schnoebelen

Ayes:

Nays:

Absents:

PASSED AND APPROVED by City Council of Riverside, Iowa, on this 17th day of July, 2017.

Signed: _____

Allen Schneider, Mayor

Attest: _____

Lory Young, City Clerk

July 12, 2017

2245-032

2nd Street and Washburn Street Storm Sewer and Paving Project
Change Order #10

The following changes to the contract are requested to adjust the flowlines of the storm sewer in Intakes 4 and 5.

The contractor kept track of time and materials for this work. The summary of the time and materials used is attached. The change required for this work is as follows:

ADD

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Adjust Storm Intakes	1 LS	\$559.35	\$559.35

Change to the Contract

This change order would add the above item to the contract and increase the amount of the contract by \$559.35

Reason for changes

The slope of the storm sewer crossing Highway 22 had to be adjusted to avoid the existing water main in Highway 22. This caused the need for modifications to Intakes 4 and 5. The modifications included cutting new holes in the intake boxes and pouring additional concrete for the fillets to raise the flowlines.

Approved by:

Dave Schmitt Construction

RESOLUTION #071717-06

RESOLUTION APPROVING CHANGE ORDER #11 FOR DAVE SCHMITT CONSTRUCTION FOR THE 2ND & WASHBURN STREETS IMPROVEMENTS PROJECT

Whereas, the City of Riverside City at the recommendation of the City Engineering Firm, MMS Consultants, Scott Pottorff and it is the opinion of the City Engineering Firm that the City Council accept this change order not to exceed the amount of \$3,125.00.

Therefore, be it resolved the City of Riverside City Council does hereby accept the Change Order #11 to install SW-402 type intake.

It was moved by Councilperson _____, seconded by Councilperson _____, to approve the foregoing resolution on July 17th, 2017.

Roll Call: Redlinger, Schneider, Sexton, Weber, Schnoebelen

Ayes:

Nays:

Absents:

PASSED AND APPROVED by City Council of Riverside, Iowa, on this 17th day of July, 2017.

July 12, 2017

2245-032

2nd Street and Washburn Street Storm Sewer and Paving Project
Change Order #11

The following changes to the contract are requested to install an SW-402 type intake as shown on the plans.

The proposed pricing for this intake is attached. The change required for this work is as follows:

ADD

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
SW-402 Intake 60"x60"	1 EACH	\$5,920.00	\$5,920.00

DELETE

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Storm Manhole, SW-401, 48" With SW-604 Type 4B Grate	1 EACH	\$2,795.00	\$-2,795.00

Change to the Contract

This change order would add the above item to and delete the above item from the contract and increase the amount of the contract by \$3,125.00

Reason for changes

The plans called for SW-402 intake for Intake #1 but there was no bid item for this type of intake. There was extra quantity for bid item for the SW-402 manhole that was not needed.

O & M Report: June 2017

Water Operation & Maintenance

- Changed cartridge filters. Unit #1 had a bad gasket and was replaced.
- Well #8 was put back into service. Well #8 was flushed and disinfected.
- Change chlorine analyzer probe cap at water plant and calibrated.
- Calibrated PH probes for raw water, blended water and finished water at water plant.
- Rebuilt RPZ backflow preventer at water plant. Unit was leaking from a bad seal.
- Rebuilt chlorine pump #2, unit was not pumping as much chemical as it should. Unit is back in service.
- Anti-scale pump # 2 went down, unit was not pumping chemical. Rebuilt pump and put back in service. After back in service the flow measuring device was not detecting flow. Replaced flow meter and both units are working again.
- R.O. Skid #2 had a head seal leak. Ordered replacement head seal and installed. Unit is back in service.
- 29 locates, all completed.

Wastewater Operation & Maintenance

- Pulled and inspected SBR pumps at wastewater plant. All pumps appeared to be in good shape.
- Emergency locate for 161 W 1st St on 6-30-17. Locate was for repair of residential sewer. City Sewer was at the residence for biannual cleaning when part of the machine broke in the service line. Boyse Excavating and City Sewer made the repairs and retrieved broken unit.

To: 'Lory Young'
Subject: RE: Hazard mitigation plan update

Hi Lory,

It's lucky for you and the council that most of the work is already done! What I'd like to do with Riverside is schedule a meeting this summer to just review and confirm all the work that was done at the hazard mitigation meeting in late 2015. I'll just need help from you for scheduling, confirming some city information, etc. After that, the city will just need to review and officially adopt the new countywide plan (Spring/Summer 2018).

I'm going to send everyone information about a kick-off meeting that will be in late June. It's technically mandatory to be included in the plan, but I'm not going to require that Riverside attends since you've already done a lot of initial planning work. However, if there are any interested or new council members, they're welcome to attend. I'll also ask that you post the flyer in public areas when I send it just so everyone has the opportunity to attend.

If you have any follow-up questions, please let me know! I'm going to try to make the plan update process as easy as possible for you.

Thanks,

Alicia

Subject: RE: Hazard mitigation plan update

Pretty much I have no idea..... so if you want to send me an email explaining the process, that would be great.

Subject: Hazard mitigation plan update

Hi Lory,

I'm just checking-in to make sure the City received my letter about Washington County's hazard mitigation plan update. Also, do you have any initial questions about the process? I can respond by email or chat with you sometime—just let me know what you prefer!

Thanks,

Alicia

EAST CENTRAL IOWA
COUNCIL OF GOVERNMENTS
YOUR REGIONAL PLANNING AGENCY

May 9, 2017

City of Riverside
ATTN: City Clerk
PO Box 188
Riverside, IA 52327

To Whom it May Concern,

In January, Washington County received a grant to update the Washington County Multi-Jurisdictional Hazard Mitigation Plan. To complete the plan update, the county has contracted with the East Central Iowa Council of Governments (ECICOG). We look forward to working with the county, cities, and school districts in Washington County.

A hazard mitigation plan is important for your city because it maintains eligibility for hazard mitigation grant funding to complete projects like flood property acquisition, tornado safe room construction, tornado warning sirens, etc. For more information about grant funding, see the enclosed brochure.

ECICOG plans to include Riverside in the plan primarily by incorporating information from the previous plan amendment process, which was established before the county decided to complete a full update of the plan. The city will be required to participate in the process in a limited manner. All work completed by ECICOG will be at no additional cost to the city.

To be included in the plan, the city must complete the following update process:

- Representative(s) must attend a plan update information meeting
- Host a brief information review meeting that will be facilitated by ECICOG
- Provide plan-related information to ECICOG, as needed
- Review the draft plan and provide feedback
- Adopt the plan by resolution

ECICOG will contact you to discuss participation in the plan update process and provide additional information. If you have immediate questions, the primary contact is Alicia Presto. I can be reached at alicia.presto@ecicog.org or (319) 365-9941 ext. 121.

Best regards,

Alicia Presto

Eligible Activities

1. Mitigation Projects	HMGP	PDM	FMA
Property Acquisition and Structure Demolition	✓	✓	✓
Property Acquisition and Structure Relocation	✓	✓	✓
Structure Elevation	✓	✓	✓
Mitigation Reconstruction	✓	✓	✓
Dry Floodproofing of Historic Residential Structures	✓	✓	✓
Dry Floodproofing of Non-Residential Structures	✓	✓	✓
Generators	✓	✓	✓
Localized Flood Risk Reduction Projects	✓	✓	✓
Non-Localized Flood Risk Reduction Projects	✓	✓	✓
Structural Retrofitting of Existing Buildings	✓	✓	✓
Non-Structural Retrofitting of Existing Buildings and Facilities	✓	✓	✓
Safe Room Construction	✓	✓	✓
Wind Retrofit for One- and Two-Family Residences	✓	✓	✓
Infrastructure Retrofit	✓	✓	✓
Soil Stabilization	✓	✓	✓
Wildfire Mitigation	✓	✓	✓
Post-Disaster Code Enforcement	✓	✓	✓
Advance Assistance	✓	✓	✓
5 Percent Initiative Projects*	✓	✓	✓
Miscellaneous/Other**	✓	✓	✓

2. Hazard Mitigation Planning
 Planning-Related Activities ✓

3. Technical Assistance
 ✓

4. Management Costs
 ✓

* FEMA allows increasing the 5% Initiative amount up to 10% for a Presidential major disaster declaration under HMGP. The additional 5% Initiative funding can be used for activities that promote disaster-resistant codes for all hazards. As a condition of the award, either a disaster-resistant building code must be adopted or an improved Building Code Effectiveness Grading Schedule is required.

** Miscellaneous/Other indicates that any proposed action will be evaluated on its own merit against program requirements. Eligible projects will be approved provided funding is available.

Hazard Mitigation Assistance

Hazard Mitigation Assistance (HMA)

The Federal Emergency Management Agency's (FEMA) HMA programs provide funds for projects that reduce the risk to individuals and property from natural hazards. These programs enable mitigation measures to be implemented before, during, and after disaster recovery.

Hazard Mitigation Grant Program (HMGP)

The HMGP provides funding for long-term hazard mitigation measures following major disaster declarations. Funding is available to implement projects in accordance with State, territorial, federally-recognized tribal, and local priorities.

Pre-Disaster Mitigation (PDM)

The PDM program provides funds on an annual basis for hazard mitigation planning and the implementation of mitigation projects. FEMA provides funding for measures to reduce or eliminate overall risk from natural hazards.

Flood Mitigation Assistance (FMA)

The FMA program provides funds on an annual basis so that measures can be taken to reduce or eliminate the risk of flood damage to buildings insured under the National Flood Insurance Program. The FMA program for Fiscal Year 2013 and beyond includes provisions to mitigate Severe Repetitive Loss and Repetitive Loss properties.

What are the roles of local communities, federally-recognized tribes, territories, States, and FEMA?

Local jurisdictions develop projects that could reduce property damage from future disasters, and submit applications to the State, territory, or federally-recognized tribes.

The States, territories, and federally-recognized tribes (acting as Applicants) establish their mitigation priorities, facilitate the development of applications, and submit applications to FEMA based on State, territorial, or federally-recognized tribal criteria and available funding. FEMA conducts a final eligibility review to ensure compliance with Federal regulations. Projects must comply with Federal environmental laws and regulations, be cost-effective, technically feasible, and meet additional program criteria.

What are the roles of home and business owners?

Individuals, property and business owners may not apply directly to the State, territory, or FEMA, but eligible local governments may apply on their behalf.

FEMA encourages property and business owners interested in implementing mitigation activities to contact their local community planning, emergency management, or hazard mitigation office for more information.

Who is eligible to apply?

- State, territorial, federally-recognized tribal, and local governments
- Certain private nonprofit organizations

Cost Sharing

HMA program funds are cost-shared. The total cost to implement approved mitigation activities is generally funded by a combination of Federal and non-Federal sources.

Program Cost Share Requirements	Mitigation Activity Award (Percent of Federal/Non-Federal Share)
HMGP	75 / 25
PDM	75 / 25
PDM (subrecipient is small impoverished community)	90 / 10
PDM (federally-recognized tribal Recipient is small impoverished community)	90 / 10
FMA (insured properties and planning grants)	75 / 25
FMA (repetitive loss property with repetitive loss strategy)	90 / 10
FMA (severe repetitive loss property with repetitive loss strategy)	100 / 0
