# Appointed Agency Agreement for Sellers/Landlords

(to be completed at time of listing and attached to the Listing Agreement)

Name of Seller(s) / Landlord(s) City of Riverside

Address of Property: Lot 3, NW corner of River Cross Ct and Commercial Dr Intersection, Riverside, IA

**BROKER:** Seller/Landlord (hereinafter referred to as Seller) hereby designates Lepic-Kroeger, REALTORS (hereinafter referred to as LKR) the sole and exclusive right and authority to assist Seller in procuring a ready, willing and able buyer and to negotiate for terms and conditions agreed upon in the Listing Agreement.

**APPOINTED AGENT(S):** With Seller's approval, LKR appoints Jeff Edberg & Carmen Krueger as the Appointed Agent(s), a sales associate affiliated with LKR as the exclusive agent(s) of the Seller. LKR reserves the right to name additional Appointed Agents when in LKR's discretion it is necessary to do so. If additional Appointed Agents are named, Seller shall be informed in writing within a reasonable time period. Please note that a newly appointed or additionally Appointed Agent will not relieve the first Appointed Agent of any duties owed to the Seller. Seller acknowledges that Seller's Appointed Agent may from time to time have another sales associate affiliated with LKR who is not an agent of the Seller, sit at an open house of Seller's property or provide similar support in the marketing of Seller's property. Seller understands and agrees that this agreement is a contract for LKR to market Seller's property and that LKR's Appointed Agent(s) is/are the only agent(s) of the Seller. Seller's Appointed Agent(s) will be primarily responsible for the direct marketing and sale of Seller's property.

**TERM OF AGREEMENT:** This agreement shall begin on December 19, 2019 and will coincide with the termination date of the respective Listing Agreement or any extension hereof.

**APPOINTED AGENT'S ROLE:** Appointed Agent will utilize his/her professional knowledge to make good faith efforts to market the property and actively procure a ready, willing and able Buyer. Seller acknowledges and agrees:

1. That LKR and/or Appointed Agent may have personally represented a Buyer who is interested in Seller's property. During that representation, LKR and/or Appointed Agent may have learned material information about the Buyer that is considered confidential. Under the law, neither LKR nor Appointed Agent may disclose any such information to you even though LKR and/or Appointed Agent now represent you as a Seller.
2. The other sales associates affiliated with LKR, other than the Seller's Appointed Agent(s), may represent the actual or prospective Buyer of Seller's property. Further, Seller understands and agrees that if the property is sold through the efforts of a sales associate affiliated with LKR who represents a Buyer, the other sales associated affiliated with LKR will be acting as the Buyer's Appointed Agent. Seller agrees that LKR will disburse part of any brokerage fee (commission) paid by Seller to a sales associate of LKR or an outside Broker who exclusively represents the Buyer.
3. When LKR is the listing company, it is the policy of LKR to submit your listing to the MLS without an offer of sub-agency. It is also the policy of LKR to reciprocate cooperation and compensation with a Buyer's Broker.

**SELLER'S ROLE:** Appointed Agent(s) and Seller agree that items such as wall-to-wall carpeting, garage door openers (and associated remote controls), smoke detectors, built-in appliances, light fixtures, electronic pet fences (and associated pet collars), landscaping and many indoor and outdoor decorative items may legally be "fixtures", and if so they must remain with the property unless specifically excluded in the Sale-Purchase contract. Discuss this matter with Appointed Agent(s) to avoid uncertainty for all parties regarding what Seller may take and what needs to remain with the property, and make specific provisions for these items in the Sale-Purchase contract.

**POSSIBILITY OF DUAL AGENCY:** You may want your Appointed Agent to procure a Buyer for the purchase or lease of your property. In that event, your Appointed Agent will undertake a dual representation, which means he/she will represent both you and the Buyer for the sale or lease of your property.

**PROCESSING FEE:** LKR will charge a fee of \$225.00 (payable to Mormon Trek Escrow, LLC) for processing the transaction.

**PROHIBITED CONDUCT:** In providing brokerage services, Appointed Agent(s) shall not accept, receive or charge an undisclosed fee or commission related to the transaction from any person or entity other than the agreed parties, unless the Appointed Agent(s) has provided written notice to all parties to the transaction that an individual fee or commission will be accepted from such person's organization or business entity to which Appointed Agent(s) has an interest, unless Appointed Agent has the written consent of all parties to the transaction.

**This contract shall be binding upon and inure to the benefit of the heirs, administrators, successors and assigns of the parties hereto. This contract can only be amended in writing and signed by all parties.**

## Agency Disclosure Notice

Lepic-Kroeger, REALTORS (hereinafter referred to as LKR) is pleased to assist you with the prospective sale and/or purchase of real estate. This document will govern the terms of your relationship with Jeff Edberg & Carmen Krueger as LKR's Appointed Agent(s) to represent City of Riverside Iowa (Client(s)) in connection with the sale and/or purchase of real estate. Only the Appointed Agent(s) will represent the aforementioned Client(s), together with any additional Appointed Agent(s) who may be designated by LKR. No other Broker or Sales Associate affiliated with LKR will be acting as an agent for the Client(s) named above. It is the policy of LKR to offer real estate services exclusively through Appointed Agents. The Appointed Agent(s) may provide real estate services simultaneously to other parties involving the same real estate. When representing a Buyer/Tenant, LKR and the Appointed Agent(s) will generally be offered and will accept a brokerage fee (commission) from the Seller/Landlord or the Sellers' agent, who may not be a client of LKR or the Appointed Agent(s). It is the policy of LKR to reciprocate with other Brokers' offers of cooperation and compensation. It is also the policy of LKR to neither offer sub-agency to other Brokers or to accept sub-agency from cooperating Brokers.

### Duties to All Parties

A real estate agent, including the Appointed Agent(s), has the following duties to all parties to a transaction, regardless of which party the agent represents:

1. To provide real estate brokerage services to all parties to the transaction honestly and in good faith;
2. To diligently exercise reasonable skill and care in providing brokerage services to all parties;
3. To disclose to each party all material adverse facts that the agent knows, except for the following:
  - a. Material adverse facts known by the party.
  - b. Material adverse facts the party could discover through a reasonably diligent inspection, and which would be discovered by a reasonably prudent person under like or similar circumstances.
  - c. Material adverse facts the disclosure of which is prohibited by law.
  - d. Material adverse facts that are known to a person who conducts an inspection on behalf of a party. A "material adverse fact" means an adverse fact that a party indicates is of such significance, or that is generally recognized by a real estate agent as being of such significance to a reasonable party, that it affects or would affect a party's decision to enter into a contract or agreement concerning a transaction, or affects or would affect a party's decision about the terms of a contract or agreement.
4. To account for all property coming into the possession of the agent that belongs to any party within a reasonable time of receiving the property.

### Duties to a Client

In addition to the real estate agent's duties to all parties as provided above, a real estate agent, including the Appointed Agent(s), has the following duties to the Agent's Client(s):

1. To place the Clients' interest ahead of the interests of any other party, unless the Agent is acting as a Disclosed Dual Agent, as discussed below;
2. To disclose to the Client all information known by the Agent that is material to the transaction and that is not known by the Client or could not have been discovered by the Client through a reasonably diligent inspection;

COUNCIL PACKET

- 3. To fulfill any obligation that is within the scope of the Agency Agreement, except those obligations that are inconsistent with other duties that the Agent has under the Iowa Code or the N.A.R Code of Ethics;
- 4. To disclose to the Client any financial interests the Agent or LKR has in any business entity to which the Agent or LKR refers a Client for any service or product related to a transaction.

**Duties of a Disclosed Dual Agent**

An Appointed Agent(s) may legally represent both the Seller/Landlord and the Buyer/Tenant in a transaction, but only with the prior knowledge and written consent of all parties. This is called "Dual Agency". The Appointed Agent(s) will be acting as a Dual Agent when he/she represents both the Seller/Landlord and the prospective Buyer/Tenant. This means that when the Appointed Agent(s) is the listing agent and the selling agent, the Appointed Agent(s) will be representing both parties simultaneously. When acting as a Dual Agent, the Agent has the same Duties to All Parties and Duties to a Client, as set forth above, EXCEPT a Dual agent may not and does not have a duty to place one Client's interests ahead of the interests of the other Client. Representing more than one party to a transaction may present a potential conflict of interest since both Clients may rely upon the Appointed Agent(s) advice, and Buyer's/Tenant's and Seller's/Landlord's respective interests may be adverse to each other. The Appointed Agent(s) will endeavor to be impartial between all parties and will not represent the interests of either party to the exclusion or detriment of the other party. Appointed Agent(s) will act as a Dual Agent only with written consent of ALL parties to the transaction.

By signing this agreement, the Client agrees that the Appointed Agent(s)  MAY  MAY NOT act as a Disclosed Dual Agent when the Agent represents both the Seller/Landlord and the Buyer/Tenant. Parties are not required to participate in Disclosed Dual Agency.

**Federal Fair Housing Law:**

All LKR agents, brokers, assistants, management and employees agree to provide equal professional service to any client, customer or resident of any community without regard to race, color, religion, gender, disability, familial status, national origin or gender identity.

**Processing Fees**

In representing the Seller, LKR will charge a fee of \$225.00 (payable to Mormon Trek Escrow, LLC) for processing the sales transaction, excluding leases. In representing the Buyer, LKR will charge a fee of \$125.00 (payable to Mormon Trek Escrow, LLC) for processing the purchase transaction.

**If you do not understand all the terms of this document, seek legal advice before signing.**

Highway 22 Improvements Project  
 Change Order #25

The following changes to the contract are required per Iowa DOT Standard Specifications for HMA paving on primary highways. The testing of smoothness of finished pavement is outlined in Section 2316.

The work is not covered by existing bid items and the specifications outline incentive/disincentive for this work. The testing was completed by the Contractor observed by MMS. The test results and incentive/disincentive which apply are attached. The changes are as follows:

**NEW BID ITEMS**

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
HMA Smoothness Incentive	1 LS	\$3,450.00	\$3,450.00
HMA Smoothness Disincentive	1 LS	-\$7,200.00	-\$7,200.00
<b>TOTAL CHANGE</b>			<b>-\$3,750.00</b>

Change to the Contract

This change order would add the above items to the contract and decrease the amount of the contract by \$3,750.00.

Reason for changes

Since the HMA work is per Iowa DOT Specifications, this incentive/disincentive would apply to this work. Of the bumps/dips shown on the attached sheet, 4 of them are located near the ends of the project and are therefore not included so only 8 of the 12 are included in the disincentive.

Notes:

Need to verify that Section 2316 - Pavement Smoothness applies to this project. It appears Pelling is using Smoothness Specifications 2316 which would be used on local projects but since this is a primary road maybe 2317 should apply. There should be a plan reference note for the paving item stating the 2316 or 2317 should apply, if the plans say 2316 than this will resolve this question.

2316.03.C Bumps / Dips: When the Contractor is not responsible for the adjoining surface, bumps and dips in the 16 feet at the end of a section will be reviewed by the Engineer. Correct all bumps and dips determined to be under the control of the Contractor and resulting from the Contractor's operations. Correction of bumps and dips determined to be beyond the control of the Contractor will be paid according to

2316.05, F: A \$900 price adjustment will be assessed for each dip not corrected in each pavement lane under Schedule A and B, except as stated in Article 2316.03, C, 3. In addition, a \$900 price adjustment will be assessed for each bump not corrected under Schedule A and B, except as stated in Article 2316.03, C, 3. Bumps and dips not corrected will also be included in the evaluation for the segment smoothness.

Re: Highway 22 Improvements Project – Final Acceptance and Release of Retainage

Mayor Schneider and City Council,

The public improvements for this project have been constructed in substantial conformance with the project plans and specifications. All outstanding work has been completed. There is a separate agreement for review and possible replacement of sod in Spring 2020.

I recommend that this project be accepted by the council and that the final payment be approved. The retainage has been reduced by \$30,000 for the 60 days of liquidated damages and by \$7,645.50 per the sod agreement. The final payment of \$56,307.52 can be sent to the contractor once all lien waivers have been received.

Respectfully submitted,

Scott Pottorff, P.E.

Highway 22 Improvements Project  
Closeout Agreement

Since much of the sod on the project was installed late in the Fall of 2019, it will be difficult to determine any sod areas which do not become established prior to closeout of the project.

Per SUDAS Specifications, the following criteria are used to determine acceptance of sod:

1. All requirements for the completed installation and maintenance have been met.
2. Sodded areas are healthy and even-colored, and a viable lawn is established, free from weeds, undesirable grass species, disease, and insects.
3. Sod is knit down to the soil so that it cannot be pulled up.
4. Sodded areas are without scattered bare spots and dead or dormant sod.
5. Clean up operations are completed.

The parties hereby agree to the following with regard to closing out the project:

1. The project will be closed out and the retainage released in accordance with contract requirements. \$7,645.50 of the retainage will be held by the City.
2. All sod areas will be reviewed in early May of 2020 to determine whether sod areas have become established
3. Any sod areas which have not become established, based on the criteria outlined above, shall be replaced by the Contractor prior to June 1, 2019
4. Contractor shall provide maintenance of replaced sod areas for 30 days as outlined by SUDAS specifications in 2020
5. City shall release \$7,645.50 to the Contractor once all sod areas have been accepted in Spring 2020.

Riverside City Council  
Attention: City Clerk  
60 N. Greene Street  
P.O. Box 188  
Riverside, IA 52327

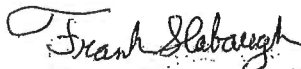

Enclosed is a new draft for the contract with the Kalona Public Library for library services for the fiscal year beginning July 1, 2020. We welcome the opportunity to provide library services for the citizens of Riverside.

We are basing our calculation of the amount this year on \$21.10 per capita. According to the latest figures available ("Iowa Public Library Statistics, July 1, 2017-June 30, 2018"), the state average for library costs for a city the size of Riverside is \$41.38 per capita. Kalona residents were paying \$72.16; Washington, \$42.80, and Wellman, \$53.83 per capita, according to the 17/18 figures. Our objective continues to be to gradually bring your contribution up to the county levels.

Based upon your population of 993 (2010 census), and using the rate of \$21.10 per capita, this would call for \$20,954.00, which is an increase of \$300.00 over the current year.

Please contact our Library Director, Anne Skaden, if you have questions (656-3501). If you wish, she would be willing to attend a meeting of your City Council to answer their questions as well.

Sincerely,

Frank Slabaugh, President  
Kalona Library Board of Trustees
