Approved: _____
Ralph Schnoebelen, Mayor Pro Tem

Date: _____

RIVERSIDE CITY COUNCIL MEETING; SEPTEMBER 6, 2016

The Riverside City Council meeting opened at 6:32 pm in City Hall with Mayor Pro Tem Schnoebelen requesting roll call. Council members present were: Ralph Schnoebelen, Jeanine Redlinger, Bob Schneider Jr., and Tom Sexton. Rob Weber was absent.

Motion by Sexton to approve agenda. Second by Redlinger, passed 4-0.

Motion by Schneider to approve consent agenda, minutes, and expenditures. Second by Sexton, passed 4-0.

Citizens Comments; Phil Richman invited Council to Star Trek Stamp Reveal at the Post Office on Saturday morning from 9-11 am. Richman requested closing of Greene Street from Hwy 22 to 1st Street. Schneider moved to close the street from 8:30 – 11:30 am. Second by Redlinger, passed 4-0. Mike O'Leary addressed Council on Labor Day and thanked our City Employees for all the work they do to keep the city running. Sandie Ubben advised council of the Community Fundraiser for B&B Auto on October 29th at the VFW. They are planning a meal, auction, games, and fireworks. City will post in next water bill and on marquee sign.

Weber arrived at 6:40 pm.

Property complaints at 202 Schnoebelen; Schnoebelen met with homeowners. Everything was cleaned up over the week-end. Ron and Becky Meyer were in attendance, voicing concerns of trees, and if road is city street, or private drive. Clerk will check with county for verification.

Schnoebelen opened Public Hearing for sale of Cherry Lane Lots 1, 15, and 16 at 6:50 pm. There were no written or oral comments. Schnoebelen closed Public Hearing at 6:54 pm, returning to open meeting. Sexton requested that homeowners be e-mailed with progress on Cherry Lane.

Schneider moved to pass Resolution #09062016-03, Sell Cherry Lane Lot #1 to Kevin and Maria Meller for \$45,000. Second by Redlinger, passed 5-0.

Schneider moved to pass Resolution # 09062016-04, Sell Cherry Lane Lots #15 & #16 to TWRVR for \$70,000. Second by Sexton, passed 5-0.

Redlinger moved to pass Resolution #09062016-01, Approving the Street Finance Report. Second by Schneider, passed 5-0.

Schneider moved pass Resolution #09062016-02, Set the date for a Public Hearing – Planning and Zoning Ordinance on September 19th, 2016 at 6:45 pm. Second by Sexton, passed 5-0.

MMS Consultants, Glen Meisner and Scott Pottorff addressed council on City projects. Discussion held on Ella Street changes. Meisner proposed that MMS would incur the cost of Blackberry and electric pole changes, and that the City would be responsible for the ADA exemption changes. Schneider moved to proceed with Ella Street project, splitting addition cost 50/50 with MMS. Second by Redlinger, passed 4-1. Weber opposed.

Schneider moved to hire MMS to do locates until PeopleService starts working for the City. Second by Weber, passed 5-0.

Sexton moved to pass Resolution #09062016-05, Set date for Public Hearing to sell property to Doug Havel on September 19, 2016 at 6:55 pm. Second by Schneider, passed 5-0.

Sexton moved to pass Resolution #09062016-06, Pay Request #5 to Cornerstone Excavating for \$256,775.65. Second by Schneider, passed 5-0.

Ron Popham manhole issue discussed. MMS will get cost estimates on repair options for next meeting.

Schneider moved to get Casey's credit card for mower gas purchases. Second by Redlinger, passed 4-1, Sexton opposed.

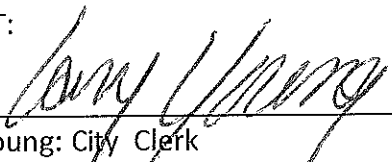

PeopleService, Inc. update; Employee has been hired. They are looking for housing, and will start at the end of September. PeopleService, Inc. contract will be signed for a start date of October 1, 2016.

Sexton moved to adjourn meeting at 9:22 pm. Second by Redlinger, passed 5-0.

Full content of Council Meetings can be viewed on the City Web Site;

NEXT CITY COUNCIL MEETING – Monday, September 19, 2016 at 6:30 pm.

ATTEST:

Lory Young: City Clerk

Ralph Schnoebelen; Mayor Pro Tem

RIVERSIDE SPECIAL CITY COUNCIL MEETING; SEPTEMBER 13TH, 2016

The Special Riverside Council meeting opened at 6:30 pm on Ella Street with Mayor Pro Tem Schnoebelen requesting roll call. Council members present were: Ralph Schnoebelen, Tom Sexton, Rob Weber, Bob Schneider Jr. and Jeanine Redlinger.

Council held a lengthy discussion of the condition of project at 311 N. Ella.

Schneider moved to lower the drive at 311 N. Ella 6" with MMS working out the Engineering details. Second by Weber, passed 5-0.

Discussion held on the water flow on the north east corner of Ella on St.Mary's Street. Schneider moved to extend the curb and gutter to the east, move the ditch drain over and install storm drain to the inlet. Second by Redlinger, passed 5-0. Geysers gave City permission to remove, or replace Evergreen tree.

Council discussed the slope of sidewalk at 311 N. Ella. Schneider moved to raise the sidewalk to a level elevation starting 8' from crosswalk through 4 sections running north. Second by Redlinger, passed 5-0.

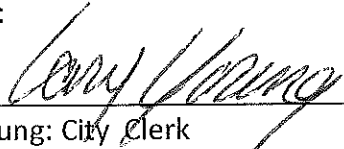

Council looked at and discussed drive at 421 N. Ella. No action was taken.

Glen Meisner, MMS Consultants, stated that if the Council feels that MMS has done anything in error for the 3 above items, please submit their claims in writing.

Redlinger moved to adjourn at 7:50 pm. Second by Weber, passed 5-0.

NEXT COUNCIL MEETING --Monday, September 19 , 2016 at 6:30 pm.

ATTEST:

Lory Young: City Clerk

Ralph Schnoebelen; Mayor Pro Tem

**PUBLIC HEARING FOR THE CITY COUNCIL
OF THE CITY OF RIVERSIDE, IOWA**

The City Council of the City of Riverside, Iowa will hold a public hearing for the purpose of receiving input and suggestions from the general public concerning the City's Zoning Ordinance Update. A zoning ordinance is intended to provide reasonable rules and regulations for the development of a community to protect the health, safety and welfare of the general public. The Public Hearing will be held during the City Council meeting on Monday, September 19, 2016, at 6:45 p.m., at City Hall.

All interested persons are invited to attend the public hearing and to offer comments, orally or in writing, in support of or in opposition of the sale. Written comments may be submitted to the Riverside City Clerk, P.O. Box 188, Riverside, IA 52327-0188, in advance of the public hearing. Any questions regarding the sale of property may also be directed to City Hall.

The ordinance is available for public review at the City Clerk's office. For more information concerning this public hearing, please contact Chad Sands at (319) 365-9941, ext. 127.

This notice is published at the direction of the City Council for the City of Riverside, Iowa.

RESOLUTION #09192016-03

**RESOLUTION APPROVING THE SALE OF PROPERTY EAST OF
BUD'S CUSTOM MEATS TO DOUG HAVEL**

Whereas, the City Council of the City of Riverside, Iowa held a public hearing for the purpose of receiving input from the general public concerning the sale of property east of Bud's Custom Meats to Doug Havel for the purpose of installing solar panels. The property being sold is 16,433 square feet at \$2.27 per square foot for a total of \$37,302.91. The Public Hearing was held during the City Council meeting on Monday, September 19, 2016, at 6:55 p.m., at City Hall.

Therefore, be it resolved the City of Riverside City Council does hereby approve the sale of property to Doug Havel in the amount of \$37,302.91.

It was moved by Councilperson _____, seconded by Councilperson _____, to adopt the foregoing resolution.

Roll Call: Schneider, Redlinger, Sexton, Weber, Schnoebelen

Ayes:

Ralph and Lory,

Here is the preliminary survey for Doug Havel's request to purchase some of the old rail road property.

The blue is what Doug said he "wants". The pink is what he said he would "take".

I have held these proposed lines 30 feet west of the west edge of the Welcome Sign area and 35' north of the south railroad fence.

This leaves us about 15-17' of space north of the force main.

The two areas total 16,325 square feet of property.

16,325 SF x \$2.27/ square foot equals \$37,057.75.

Please feel free to comment.

City of Riverside Employee Benefit Analysis

2006 – 2011

Summary of Findings

After a review of employee timecards, payroll summaries, and medical benefit and reimbursement programs, the following inaccuracies and inconsistencies were found totaling \$111,395.48:

- Flexible Benefits Plan (FSA) - \$54,525.03
- Unapproved Health Reimbursement Arrangement (HRA) - \$26,551.39
- Sick leave paid upon employee resignation - \$21,411.26
- Personal time paid in violation of accrual policy - \$4,980.21
- Vacation time paid in violation of accrual policy - \$3,342.43
- Overpayment of hours compared to timecards – \$1,555.96

Flexible Benefits Plan (FSA) – Cafeteria Plan

In July of 2006, the Council adopted a 125 Flexible Benefits Plan (FSA) with Resolution 060506-2 allowing for pre-taxed medical benefits and dependent care expenses. It is unclear, based on the documents reviewed, as to the intent of the council regarding the administration of this plan. In my research, it appears that there was some belief that the City of Riverside was to provide an allowance of “credits” for every employee. If the 2006 City Council intended to provide these credits for employees, I am unable to find any resolution or City of Riverside document that defines the amount of the credits on an annual basis.

Based, in part, on the State Audit findings, one interpretation was that the City intended to provide annual credits based on the City’s portion of paid benefits. So as an example (using 2008 numbers):

	Total Cost Per Month	% of Cost Paid by City	Total
Family Health Insurance	\$875.53	90%	\$787.98
Family Dental Insurance	\$110.20	90%	\$99.18
Life Insurance	\$4.30	100%	\$4.30
		Total Credits	\$891.46
		Total Credits Annually	\$10,697.52

If this interpretation is accurate, then eligible employees would be able to “purchase” \$10,697.52 worth of health benefits including; health, dental, life, HRA, and FSA, at no cost to the employee. By providing the same amount of credits to every eligible employee does provide equality, but doesn’t appear to be to most cost effective way to administer a benefit plan.

If this calculation was what the City Council intended, the actual City of Riverside calculation is in error every year from the establishment of the program. Additionally, every error was to the benefit of City employees.

Year	Actual Benefit Eligibility Calculation	City Benefit Eligibility Calculation
2007	\$7,781.70	\$8,798.55
2008	\$10,697.52	\$11,165.12
2009	\$13,034.77	\$13,606.24
2010	\$12,921.70	\$13,487.83
2011	\$13,563.43	\$14,157.64
2012	\$12,294.86	\$12,832.54

If the clear intent of the City Council was to offer every eligible employee the same amount of credits, then I would assume every eligible employee would use this “free” money every year, but that isn’t supported by the following data for a sample 4-year period.

2008

Year	Actual Benefit Eligibility Calculation	City Benefit Eligibility Calculation
2008	\$10,697.52	\$11,165.12

Employee	Amount “Purchased” With Credits (Paid by City)
Thomas	\$10,229.55 (Insurance, FSA, HRA)
Herrig	\$10,440.83 (Insurance)
Engel	\$7,393.09 (Insurance, FSA, HRA)
Lenz	\$5,196.36 (Insurance, FSA)

2009

Year	Actual Benefit Eligibility Calculation	City Benefit Eligibility Calculation
2009	\$13,034.77	\$13,606.24

Employee	Amount “Purchased” With Credits (Paid by City)
Thomas	\$12,786.79 (Insurance, FSA, HRA)
Herrig	\$13,011.96 (Insurance)
Engel	\$9,207.76 (Insurance, FSA)
Lenz	\$12,908.68 (Insurance, FSA)

2010

Year	Actual Benefit Eligibility Calculation	City Benefit Eligibility Calculation
2010	\$12,921.70	\$13,487.83

Employee	Amount "Purchased" With Credits (Paid by City)
Thomas	\$11,257.21 (Insurance, FSA, HRA)
Herrig	\$12,948.94 (Insurance)
Engel	\$9,641.73 (Insurance, FSA, HRA)
Lenz	\$13,041.84 (Insurance, FSA)

2011

Year	Actual Benefit Eligibility Calculation	City Benefit Eligibility Calculation
2011	\$13,563.43	\$14,157.64

Employee	Amount "Purchased" With Credits (Paid by City)
Thomas	\$7,379.28 (Insurance, FSA, HRA)
Herrig	\$11,172.69 (Insurance)
Engel	\$11,795.02 (Insurance, FSA, HRA)
Lenz	\$13,564.96 (Insurance, FSA)
Carter	\$11,222.95 (Insurance, FSA)

Health Reimbursement Arrangement

Documentation from Drenkow, the plan provider, shows that a Health Reimbursement Arrangement (HRA) was established in January 2007. The plan was created to cover insurance premium reimbursement only. It appears this was implemented because the current FSA plan did not allow for medical premiums paid by a spouse to be reimbursed tax free, a concern presented by Tina Thomas. The HRA agreement was signed by Tina Thomas and there is no corresponding Council Resolution that references the HRA.

This benefit was used by two employees between 2007 and 2012.

- Tina Thomas - \$17,900.13
- Kevin Engel - \$7,680.46

Fees associated with the management of this program totaled \$970.80 bringing the total of this plan to \$26,551.39 which was not authorized by the council.

Sick Leave

Resolution 011603-3, dated January 16, 2006, approved an employee benefit list which states: "there is no payment for sick leave after leaving the employment of the City of Riverside".

Based on the review of payroll records between 2006 and 2011, two employees were paid for unused sick time in 2011.

	Hours	Compensation
Thomas	471.38	\$ 12,548.14
Herrig	423.87	\$ 8,863.12
Total	895.25	\$ 21,411.26

This action appears to be in conflict with the January 2006 employee benefit list. A search of Resolutions during the time period did not produce any Resolutions associated with payment to Thomas and/or Herrig for their accrued sick leave. However, the following Resolutions were identified as an indication that the 2006 list may not have been the most current version

- Additional Handbook/Employee Benefit Resolution 121707-1 dated December 17, 2007 (no documentation of changes available).
- Resolution 08062012 dated August 6, 2012, stated that 3 existing employees (Engel, Lenz and Hembry) would be paid their current sick time at their current wage upon termination of employment.

Personal Time Accrual and Payouts

Resolution 011603-3, dated January 16, 2006, approved an employee benefit list which states: "Birthday and (8) hours of employee's choice per year may be used any time in the year if two weeks' notice is given to the mayor. (16) hours total each year"

The December 2007 version of the employee handbook states that personal time must be used in the same year it was accrued.

Between 2008 and 2011, employees continued to carry over their personal time which was in violation of the existing handbook.

	Year End Carry-Over					
	2006	2007	2008	2009	2010	2011
Engel	32	48	64	80	13.75	16
Lenz	16	32	48	64	77	16
Herrig	27	6.25	16	22	28	0*
Thomas	Unavail	Unavail	58.5	74.5	15	0*
Leyden	0	0	8	16	8	0

In 2010, Engel utilized a significant portion of his balance and Thomas was paid 74.5 of her hours in addition to her weekly salary. Thomas's payout was approved by Resolution 08042010-1 but the accrual

should not have been allowed to happen to that point. Total overpayment between 2010 and 2011 was \$4,980.21

	Year	Hours	Paid
Engel	2010	66.25	\$ 1,446.13
Lenz	2011	61	\$ 960.75
Herrig	2011	28	\$ 581.22
Thomas	2010	74.5	\$ 1,992.11
	Total		\$ 4,980.21

Vacation Time Accrual and Payouts

Resolution 011603-3, dated January 16, 2006, approved an employee benefit list which states: "The employee is allowed to carry over a maximum of (80) hours of vacation time each year. This must all be used in the calendar year."

During the reviewed period of 2006-2011, all full-time employees were allowed to carry over more than 80 hours.

	Year End Carry-Over					
	2006	2007	2008	2009	2010	2011
Engel	285.2	236.01	163.51	119.01	134.13	129.39
Lenz	3.08	17.38	56.34	77.34	61.42	93.06
Herrig	122.67	145.98	118.98	110.23	97.85	0*
Thomas	unavail	unavail	105.92	104.67	191.54	0*

Upon resignation in 2011, Herrig and Thomas were both paid for the excess of hours resulting in overpayment of \$3,342.43

	Paid			Actual			Variance
	Accrued	Earned	Payout	Accrued	Earned	Payout	
Herrig	97.85	113.19	\$ 4,412.85	80	113.19	\$ 4,039.60	\$ 373.24
Thomas	191.54	60.6	\$ 6,711.97	80	60.6	\$ 3,742.77	\$ 2,969.19

Payroll Discrepancies

A review of individual employee timecards compared to payroll summaries from January of 2006 through June of 2011 revealed several instances of over and underpayment as well as times where employee time off was not properly entered into the payroll system resulting in incorrect accruals and payouts during the time period.

January 2006 – June 2011				
	Hours Worked	Personal	Sick	Vacation
Engel	0.5	0	-5.25	-9.5
Herrig	-3.25	0	5.25	19.5
Lenz	-7	0	-2.5	88
Leyden	0	8	8.75	8
Total 110.5 Hours				

Because of a change in payroll systems and the unavailability of October-December 2007 payroll summaries, 2006 and 2007 are not reconciled for hours worked and 2007 is not reconciled for time off. With the information provided, the result was a net overpayment of 110.5 hours.

Payout of those hours based on the wage the employee was earning at the end of 2011 is as follows:

	Hours Variance	2011 Hourly Rate	Over/Under Payment
Engel	-14.25	\$ 35.07	\$ (499.75)
Herrig	21.5	\$ 20.91	\$ 449.57
Lenz	78.5	\$ 15.75	\$ 1,236.38
Leyden	24.75	\$ 14.94	\$ 369.77
Total			\$ 1,555.96

Subject: Casey's Sanitary Sewer

We plan to send through a pay request with all final quantities less retainage at the next Council meeting. I will send to you for review later this morning.

There are two remaining items on this project that I am aware of. The first is that the ditch has a pocket of standing water so it needs some additional grading to remove this ponding area. The second item is the televising of the new sewer. A copy of this televising report needs to be sent to MMS and the City.

In addition a car ran off the road into the work area. The owner reported the damage to City Hall. This are needs to be graded out and reseed as well. This work would be extra work and the vehicle owner will be asked to reimburse the City for the additional work. Hopefully it will be pretty minor.

I will be sending the final quantities to you shortly. Let me know if you have any questions.

Lory,

Based on our phone conversation, I've shown the ditch that needs cleaned in the picture below. This portion of the ditch is within IDOT ROW. The green line is the approximate ROW line based on the records we have in our office. The equipment to clean the ditch is currently in another area of our District. Our maintenance staff will get this ditch cleaned from E 2nd St (alley) down to the driveway by the end of October.

- Dealer in Subsurface Leak Detection, Inc. Leak Detectors Correlators and Equip.

Dear Sirs:

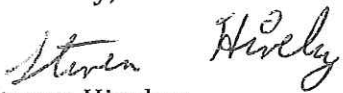

Thank you for inquiring about my services. I get \$1,000 per day, and mileage is included. I do the initial leak survey using the fire hydrants to listen for the leaks. Hopefully, the leaks are audible, and can be pinpointed accurately. There are many things that can interfere with the sound: plastic pipe, repair clamps, and the leaks being too far from a listening spot to be heard.

As we talked, I teach classes all across the country on leak detection/water loss. A normal system SELLS 60-70 gallons per person/per day. I have never been in a system that sold less than 50gpd/per person. When the numbers are over 100 gpd/per person, there has always been a problem. A way to check on if it is meters or leaks, compare the water loss for a year. If it is higher in the summer, and drops in winter, it is usually meters. The more you use, the more you lose! The opposite is also true. If the loss is high in winter, and drops in summer, it is probably leaks. The master meter should have a check system by having meters on the wells to crosscheck the usage. It is possible for a master meter to over register. THIS IS DIFFERENT from a domestic meter, that CAN'T run fast. They are two totally different designs.

In order to see how you are doing, you need to deduct the water sold to the casino and then compare the domestic usage to the number of people and see where your numbers are. Most towns report a loss of 20% on the raw numbers. Much of that is bad accounting! Taking off for backwash, street sweeping, fires, fire dept usage, unmetered users, etc., usually brings that 20% number down drastically. We look at lost water at least as a dollar per thousand to produce, and depending on your plant and costs, it may be as much as \$2.00 per thousand. It almost always pays to try to find the problems, if there are problems.

I can be there in mid Oct., if you wish. I don't work on windy days. It is impossible to do good work in the wind, and unless you have a main break, I won't do it! I will try to train the clerk and operators on what I find, and how I did it. I will also advise them on some things they may be able to do next time instead of using me. If you have any questions, please call me.

Sincerely,

Steven Hiveley

RESOLUTION #09162016-04

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RIVERSIDE,
IOWA APPROVING THE APPLICATION FOR THE PURPOSE OF
RECEIVING BENEFITS FROM THE WASHINGTON COUNTY
RIVERBOAT FOUNDATION.**

Whereas, the Washington County Riverboat Foundation has grants funds available that target Community Development and Beautification, Economic Development, Arts and Education, Human and Social Needs, and

Whereas, the Washington County Riverboat Foundation has a grant application cycle for Grants, and the City of Riverside is supportive of these targets for improvements to the community and County, and, one or more applications from the City of Riverside, deals with tourism.

Now, Therefor be it resolved, by the City Council of the City of Riverside, Iowa that the City authorizes the following grant application to be submitted to the Washington County Riverboat Foundation for the Fall 2016 grant cycle by the Riverside Ball Association Batting Cage Remodel in the amount of \$6,957.00

Motion made by Councilperson Schneider, second by Councilperson Schnoebelen, to adopt this foregoing resolution.

Roll Call: Schneider, Redlinger, Sexton, Weber, Schnoebelen

Ayes:

Nays:

Passed by the City Council of Riverside, Iowa and approved this 19th day of September, 2016.

Signed: _____

Ralph Schnoebelen, Mayor Pro Tem

Attest: _____

Subject: letter of resolution
Attachments: Fall 2016 Application.doc; _Certification_.htm

I have attached an application that we will be sending to WCRF, pending approval from City Council. Could this resolution be put on next Council agenda.

We tried this grant once before, and did not receive from WCRF. We have more matching funds this time and are hopeful.

At the last council meeting when this was brought up and approved, the council asked for plans of project if grant was approved. We will do the same again. If this grant is approved we would not proceed until council approved plans.

But we are only looking at replacing large batting cage in same spot, except to elevate it, and move shed to be between the cages instead of present location.

thanks
Chris

GRANT APPLICATION

Applicant Organization Information:

1. Applicant Organization: RIVERSIDE BALL ASSOCIATION
2. Mailing Address: BOX 536
3. City, State, Zip: RIVERSIDE IOWA 52327
4. Federal Tax ID#: 42-1298593
5. Date (Year) Organized: 1987
6. Website:
7. Tax Exempt Category: 501c(3), 501c(4), 501c(6), School District
(Check only one) City/County Gov't, Other:
8. Applicant has read and agrees with the current grant guidelines: Yes No
(Grant App. Guidelines & Instructions are available online or from the WCRF Office)

Contact Information:

9. Primary Contact Name: CHRIS GRINSTEAD
10. Title in Organization: SECRETARY
11. Daytime Phone: 319-648-3111 Evening Phone: SAME
12. E-mail address: grinstead1075@gmail.com
13. Alternate Contact Name: TODD FORBES
14. Alternate Phone: 319-430-4222 Alt. E-mail: tforbes@jwvpork.com

Project/Program Information:

15. Project Title: BATTING CAGE REPLACEMENT
16. Project Address: HALL PARK
17. WCRF Funding Requested: \$6,957.00
18. Matching Funds: \$4,000.00
19. Total Cost (17+18): \$10,957.00 (include itemized budget if over \$5,000)
20. Anticipated project start: Spring 2017
21. Anticipated date WCRF funds will be needed: spring 2017

22. Provide a brief description of the project you are seeking funds for **(10 lines or less)**. Please include an explanation of how this proposal will benefit residents of Washington County. You may attach additional pages to describe your project/program in more detail. Additional supporting material may also be submitted.

We are looking to replace an existing batting cage that is currently in disrepair due to flooding over past decades, and being over 30 yrs old. The railroad ties that is used as the base are rotting and falling apart. The steel poles that hold up the net are leaning and bent and causing net to sag. Floods have washed away the base under batting cage turf. We would like to raise up the batting cage area and pour concrete for the base, and replace the steel poles that hold up cage. We will also replace the nets. And lastly build a shed to house our pitching machine that will sit on concrete also to help keep out of flood water. Our batting cages are used by appx 150-175 boys and girls in Riverside as well as Highland High school players. This cage either needs redone or torn down as floods have all but destroyed it.

23. Please explain the impact of the WCRF funding in numbers (such as: number of participants or persons impacted, cost per participant, number of units, statistics from past projects, etc.). **(10 lines or less)**

Riverside Ball has a very strong summer ball program with the numbers for the past 5 years being from 155-175+. Riverside Ball maintains our ball fields and batting cages on revenue from registration fees and concession stand. We try to keep fees and prices down so that everyone can enjoy the chance to play ball . Because of previous grants, that has helped with our projects, we have been able to keep registration fees down. Without these grants we would be unable to do as many projects if any.

24. In the space below, explain how the project/program will address the Foundation's interest category. **(7 lines or less)** See WCRF Grant Application Guidelines & Instructions document.

We are very grateful for the WCRF to help small organization like ours who are reliant on grants to upgrade facilities. Because of the grants we have done several upgrades. This has allowed us to host Cal Ripken State Tournaments the past 2 years, and this summer, we will host another State Tournament. But more importantly, due to the upgrades of our facility, we have been chosen to host Regional Tournament in 2017. There will be teams from 8 states and Canada. We are the smallest town to have ever been asked to host such an event. The whole area should benefit from such an event.

25. List name of matching funding sources and if contribution is projected (P) or confirmed (C). Private donations can generally be grouped together as one line item. Line "A" should show any cash contribution from the Applicant organization. **Do not include "in-kind" (non-cash) contributions in this table.** The "Total Matching Funds" should equal Line 18.

Source of Match Funds	Projected or Confirmed	Confirming letter attached ?	Amount
A. (Applicant)	Projected	<input type="checkbox"/>	\$ 4,000
B.	Projected	<input type="checkbox"/>	\$
C.	Projected	<input type="checkbox"/>	\$
D.	Projected	<input type="checkbox"/>	\$
E.	Projected	<input type="checkbox"/>	\$
F.	Projected	<input type="checkbox"/>	\$
Total Matching Funds:			\$ 4000

26. Complete the following budget form. List each work element for the project. To show the source of matching funds, reference the letter (A, B, C, etc.) from the table in Line 25. More than one source (letter) may be entered for a single work element. The Total Matching Fund should equal the amount entered in Line 18. The Total WCRF Funding Request should equal the amount entered in Line 17. **If the total project is over \$5,000, please attach a detailed itemization of the expected project expenses.**

Work Element	Matching Fund Source (letters)	Matching Fund \$ Amount	WCRF Funding Request	Total
1. BATTING CAGE		\$ 4,000	\$ 6,957	\$ 10957
2.		\$	\$	\$
3.		\$	\$	\$
4.		\$	\$	\$
5.		\$	\$	\$
6.		\$	\$	\$
7.		\$	\$	\$
TOTAL		\$ 4,000	\$ 6,957	\$ 10957

NOTE: The WCRF does not normally fund personnel expenses, except for outside contracted services for specific projects. Personnel expenses include salaries and benefits for full- and part-time employees. Capital expenses include construction or remodeling costs. Equipment expenses include machinery, tools, vehicles, and appliances that are likely to remain in use for more than one year. Supplies refers to items which are consumable

27. Explain the source of additional matching funds shown in Questions 25 and 26, and the amounts necessary to complete the project/program. Include cash contributions from all other sources besides the WCRF. If a capital campaign or pledge drive is in progress or planned and shown in Line 25, please provide details about how this effort will be executed. If Foundation funding will be used to leverage other funds that have not yet been committed, please include a detailed description of the process or plan to receive those funds. Explain the anticipated timeline on receiving the matching funds. If necessary, attach an additional sheet. **Letters or documentation of confirmed matching funds, on the letterhead of the funding source, must accompany this application.**

NA

28. Explain any "in kind" non-cash contributions, if any. Include donated time, labor, materials, etc. Note that these "in kind" contributions should not be included in the matching funds (Line 18) or in the Total Cost of the project (Line 19).

We will have volunteers who will help with removing old batting cage, installing metal poles for net, painting of poles, hanging net and laying of turf on concrete.

29. Has your project been started? If yes what is the status?

NO

30. How will the project be affected if it receives less funding from the WCRF or from other anticipated funding sources? (For example, will the project be downsized, will the applicant organization increase its funding to make up the difference, would the project be canceled, would a plan to raise more private donations be implemented, etc.?)

Having limited funds and being self reliant, we would not be able to proceed with project.

31. Explain how the Washington County Riverboat Foundation will be recognized by your organization for contributing to the project/program. **(6 lines or less)**

we put plaques on every project to show the community that the WCRF were major contributors to project.

32. I hereby affirm that this application has been approved by its governing body. All data in this application and supporting material are correct and true. If awarded funds by the WCRF, the Applicant will comply with WCRF guidelines and grant agreement.

Signed: _____ Date: _____
(Signed by Primary Contact from Line 9.)

To complete the application process,

1. E-mail the completed **MS Word digital version** of the application (without signatures) to wcrf@riverboatfoundation.org.
2. Submit one completed and signed original application, along with one copy of the following (do not attach to the 15 copies) unless you are a school or governmental body:
 - ✓ Resolution authorizing submission from governmental body (if applicable).
 - ✓ IRS Non-Profit Determination letter (for non-governmental organizations)
 - ✓ Iowa Secretary of State "Certificate of Standing"
 - ✓ Front page from most recent federal 990 income tax form.
3. Submit **15** complete copies of the application (including any supporting materials such as itemized budget details, project descriptions, maps, letters confirming matching funds, etc.)
4. Submit this application in its original form (no colored paper, plastic covers, folders, or coversheets) Do not reformat this application form. Do not fax the application. Please staple each application.

by **5:00pm on Wednesday, October 5, 2016** to:

Washington County Riverboat Foundation
205 West Main St.
Washington, IA 52353
wcrf@riverboatfoundation.org

** Please note that your application becomes a public document upon submission. **
